Mission

The Smart Distributor of Specialties, booster of your projects.

Vision

Thanks to our Smartness and Commitment for Sustainability, become a reference in Specialties Distribution in a chosen area.

Sustainability: our 3 pillars and main actions

Unipex environmental and social evaluation

1) Governance and CSR management

- Ethics policy
- Code of conduct and suppliers evaluation
- Ingredients environmental evaluation (eco design)
- Natural ingredients offer with Cosmos, RSPO and ISO 16128

2) Traceability and CSR risk analysis in the supply chain

- CSR risks analysis of our ingredients
- Safety – environment – social audits of manufacturing sites

3) Safety & environment

- KPIs of manufacturing plants (VOC, safety, CO₂ and waste)
- Responsible care and ESAD III (safety and environment)
- Safety and environment policy – Sorting waste

Identified Trends in our markets
